### Information About Our Use Of Cookies

Our website [www.reallesvos.com](http://www.reallesvos.com) uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. By continuing to browse the site, you are agreeing to our use of cookies.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

### What Are Cookies?

Cookies ensure a consistent and efficient experience for users of the site. A cookie is a text-only string of information that a website transfers to the cookie file of the browser on your computer's hard disk so that the website can remember who you are, either for a single visit or for multiple visits.

Two types of cookies are used on this web site - session cookies, which are temporary cookies that remain in the cookie file of your browser until you leave the site, and persistent cookies, which remain in the cookie file of your browser for much longer (though how long will depend on the lifetime of the specific cookie).

Cookies will typically contain the name of the domain from which the cookie has come, the "lifetime" of the cookie, and a value, usually a randomly generated unique number.

Cookies allow us to obtain information regarding users of our site, which essentially helps us to provide you with a better user experience and tailor our services to your individual needs. We may collect information such as your IP address, online activity, web browser details and online activity. We will not however collect or store any of your passwords or other highly sensitive data.

By using our website with your browser settings adjusted to accept all cookies, we will take this to mean that you want to use our products and services, and that you consent to our use of cookies and other technologies as described in this Cookies Policy.
